

IOP - Institute of Physics, agg. aprile 2025

Journal	Notes
AI for Science	Diamond partner journal launch - open for subs in 2025
Chinese Physics B	Partner Society subscription
Chinese Physics C	Partner Society subscription title (Some papers may be OA under SCOAP3)
Chinese Physics Letters	Partner Society subscription
Communications in Theoretical Physics	Partner Society subscription title
ECS Advances	Fees currently waived
ECS Meeting Abstracts	Extended abstracts of the technical papers presented at ECS meetings
ECS Sensors Plus	Fees currently waived
ECS Transactions	Conference proceedings journal closing in 2025
Environmental Research: Energy	gold journal currently offering universal APC waiver
Environmental Research: Food Systems	gold journal currently offering universal APC waiver
Environmental Research: Water	gold journal currently offering universal APC waiver
IOP Conference Series: Earth and Environmental Science	Conference proceedings
IOP Conference Series: Materials Science and Engineering	Conference proceedings
Journal of Physics: Conference Series	Conference proceedings
Journal of Reliability Science and Engineering	Diamond partner journal launch - open for subs in 2024
Journal of Semiconductors	Partner Society subscription
Machine Learning: Earth	gold journal currently offering universal APC waiver
Machine Learning: Engineering	gold journal currently offering universal APC waiver
Machine Learning: Health	gold journal currently offering universal APC waiver
Materials Futures	No OA Fees
Physics World	Journalistic content
Plasma Science and Technology	Partner Society subscription title
Research in Astronomy and Astrophysics	Partner Society subscription title
Research Notes of the AAS	No OA Fees
Sustainability Science and Technology	gold journal currently offering universal APC waiver
The Astronomical Journal	AAS titles are not included
The Astrophysical Journal	AAS titles are not included
The Astrophysical Journal Letters	AAS titles are not included
The Astrophysical Journal Supplement Series	AAS titles are not included
The Electrochemical Society Interface	Journalistic content
The Planetary Science Journal	AAS titles are not included
